

COGECO CONNEXION INC.
Specific Terms and Conditions – Business Solutions
Schedule – Unlimited Wi-Fi Hotspots

Last revision: June 8, 2018

1. **Performance Parameters.** Cogeco has the right to define, at its sole and entire discretion, the performance parameters and other components of the Public Wi-Fi Services, including, without limitation, data bit rate speeds, service quality levels, number of Wi-Fi end-users supported, customer care and support levels, security features and other Public Wi-Fi Services features.
2. **Account Login.** Cogeco recommends Customer modifies the password to its Services account at least once every 90 days. Customer remains responsible for the security, confidentiality and integrity of its account login credentials.
3. **Disruption of Service.** If Customer wishes to carry out any work on Customer's premises that could affect the Equipment, it shall notify Cogeco in writing at least ninety (90) days in advance, except in the case of an emergency. An "emergency" means any situation where work must be done on Customer's premises that Customer could not reasonably have foreseen. If Customer's work requires change or relocation of Equipment, such change or relocation shall be performed by Cogeco at Customer's expense, after an agreement is reached between the parties.
4. **Cogeco Advertising.** Customer grants Cogeco the right to advertise Customer's participation and promote Customer's location as a Public Wi-Fi Service. Customer grants Cogeco a non-exclusive, royalty-free license to use Customer's names, trademarks and logos in connection with such advertising and promotion.
5. **Customer Advertising.** Customer agrees to use marketing material that may be provided by Cogeco from time to time, but only for end-users of the Public Wi-Fi Services and only within the location in which Public Wi-Fi Services are delivered. Customer shall neither modify marketing material provided by Cogeco nor use Cogeco trademarks without the prior written consent of Cogeco.
