Cogeco Cable Canada now offers its Home Phone Service to the municipality and the residents of Paspébiac

Montréal, December 3rd, 2014 – Cogeco Cable Canada announces the launch of Cogeco’s Home Phone service in Quebec’s municipality of Paspébiac. All Cogeco customers, and the majority of the residents in this area, can subscribe to Cogeco’s Home Phone service as of today.

Cogeco Home Phone is a high-quality service that combines choice, value and flexibility. To sign up, customers simply select one of the three packages available to residents of Paspébiac, plus any additional calling features they wish. Cogeco’s technical services take it from there with fast, professional installation, and customers start saving – without changing their current phone number.

“We’re excited to launch our Home Phone service in Paspébiac because we know it truly is what our customers are looking for: flexibility, choice and competitive price. In addition, customers will benefit from highly competitive prices offered to them when they subscribe to our three services, that is, home phone, digital TV, and high speed internet,” declared Anne Isabelle Roussy, Vice-president, marketing and product development at Cogeco Cable Canada.

Flexible packages

Cogeco offers three different flexible packages to residents of Paspébiac to answer their varied and unique needs: the *Basic Line* package, which includes unlimited local calling; *Select*, which includes unlimited local calls, two calling features of your choice and 100 long-distance minutes for calls within Canada or to the United States; and the *Freedom* package, which includes unlimited local calls, the five most popular calling features and unlimited long distance calling in Canada and the U.S.

Useful features

Customers can then personalize their package of choice by adding the convenient calling features they want: voice mail, call display, call waiting, visual call waiting, call forwarding, three-way calling, call blocking, anonymous call rejection, call screening, etc. Furthermore, all packages offer the possibility to make direct international calls in over 225 countries at competitive rates.
