Cogeco Cable Closes Public Debt Offering

C\$300 Million 4.175% Senior Secured Debentures Series "4" due May 26, 2023

Montreal, May 27, 2013 – Cogeco Cable Inc. (TSX: CCA) ("Cogeco Cable") today announced the successful closing of its previously announced public debt offering of C\$300 Million 4.175% Senior Secured Debentures Series "4" (the "Debentures"). The debentures will mature on May 26, 2023.

The net proceeds from the offering will be used to repay a portion of the amount outstanding under Cogeco Cable's term revolving credit facilities. Cogeco Cable is committing to set aside the resulting increase in the unused amount under these revolving credit facilities to repay the \$300 million Senior Secured Debentures, Series "1" set to mature on June 9, 2014.

The offering was made pursuant to a prospectus supplement dated May 22, 2013, to Cogeco Cable's short form base shelf prospectus dated May 10, 2013, filed with the securities regulatory authorities in each of the provinces and territories in Canada.

The Debentures have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), and any state securities laws, and may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons except in transactions exempt from the registration requirements of the U.S. Securities Act and applicable state securities laws. This news release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Debentures in any state in which such offer, solicitation or sale would be unlawful.

Copies of the short form base shelf prospectus and the prospectus supplement relating to the offering of the Debentures filed with securities regulatory authorities are available electronically at www.sedar.com.

NOTE REGARDING FORWARD-LOOKING STATEMENTS

Certain statements contained or incorporated by reference in this press release may constitute forward-looking information within the meaning of securities laws. Forward-looking information may relate to Cogeco Cable's future outlook and anticipated events, business, operations, financial performance, financial condition or results and, in some cases, can be identified by terminology such as "may"; "will"; "should"; "expect"; "plan"; "anticipate"; "believe"; "intend"; "estimate"; "predict"; "potential"; "continue"; "foresee", "ensure" or other similar expressions concerning matters that are not historical facts. In addition, statements regarding Cogeco Cable's future operating results and economic performance and its objectives and strategies are forward-looking statements. These statements are based on certain factors and assumptions including expected growth, results of operations, performance and business prospects and opportunities, which Cogeco Cable believes are reasonable as of the current date. While management considers these assumptions to be reasonable based on information currently available to Cogeco Cable, they may prove to be incorrect. Cogeco Cable cautions the reader that the economic downturn experienced over the past few years makes forward-looking information and the underlying assumptions subject to greater uncertainty and that, consequently, they may not materialize, or the results may significantly differ from Cogeco Cable's expectations. It is impossible for Cogeco Cable to predict with certainty the impact that the current economic uncertainties may have on future results. Forward-looking information is also subject to certain factors, including risks and uncertainties that could cause actual results to differ materially from what Cogeco Cable currently expects. These factors include technological changes, changes in market and competition, governmental or regulatory developments, general economic conditions, the development of new products and services, the enhancement of existing products and services, and the introduction of competing products having technological or other advantages, many of which are beyond Cogeco Cable's control. Therefore, future events and results may vary significantly from what management currently foresee. For more exhaustive information on these risks and uncertainties, the reader should refer to the risk factors described in the management's discussion and analysis of Cogeco Cable for the year ended August 31, 2012 and management's discussion and analysis of Cogeco Cable for the three and six month periods ended February 28, 2013. The reader should not place undue importance on forward-looking information and should not rely upon this information as of any other date. While management may elect to, Cogeco Cable is under no obligation, and does not undertake to, update or alter this information at any particular time, except as may be required by law.
