Cogeco Cable Canada extends its Home Phone service in St-Liboire

Montréal, September 12, 2013 – Cogeco Cable Canada (« Cogeco ») announces the launch of Cogeco’s Home Phone service in Quebec’s municipality of St-Liboire. All Cogeco Cable Canada customers and the majority of the residents from this area can subscribe to Cogeco’s Home Phone service and enjoy a special promotional offer at only \$4.99 per month.

Cogeco Home Phone is a high quality service that combines choice, value and flexibility. To sign up, customers simply select one of the two packages available to residents of St-Liboire plus any additional calling features they wish. Cogeco’s technical services take it from there, with fast, professional installation and customers start saving – with no change to their current phone number.

“We’re excited to launch our Cogeco’s Home Phone service in St-Liboire because we know it truly is what our customers are looking for: flexibility, choice and competitive price. In addition, customers will benefit highly competitive prices offered to them when they subscribe to all three services (home phone, digital TV, high speed internet), not to mention the promotional price at only \$4.99 per month!” declared Anne Isabelle Roussy, Vice President Marketing and Product Development, Cogeco Cable Canada.

Flexible packages

Cogeco Cable Canada offers two different flexible packages to residents of St-Liboire to answer their varied and unique needs: the Basic Line package, which includes unlimited local calling and the Freedom Package, which includes unlimited local calling, the five most popular calling features and unlimited long distance calling in Canada and the U.S.

Useful features

Customers can then personalize their package of choice by adding the convenient calling features they want: voice mail, call display, call waiting, visual call waiting, call forwarding, three-way calling, call blocking, anonymous call reject, call screen, etc. Furthermore, both packages offer the possibility to make direct international calls in over 225 countries at competitive rates.
