The UltraFibre 1Gig Unlimited, UltraFibre 360 Unlimited, UltraFibre 180 Unlimited, UltraFibre 90 Unlimited & UltraFibre 60 Unlimited Internet packages are available for subscription. Packages may vary by region. Available where technology permits. The Connecting Families Internet Program is a special package. Contact the Government of Canada for eligibility selection and other details. [Canada.ca/connecting-families](https://canada.ca/connecting-families) Or call 1-800-328-6189 or (TTY) 1-866-694-8389. All other Internet packages are limited to customers who are currently subscribed to the package and are not available to new customers nor existing customers who wish to change to this package. Additional charges listed above will apply for exceeding the monthly data transfer capacity (GB) allowed for each specific Cogeco Internet package. Download and upload speeds can vary with Internet traffic, remote peers, the customer's network configuration, the use of wireless equipment, the number of devices connected and other factors. Upload speed of up to 940 Mbps and up to 360 Mbps can be achieved with a wired connection in certain areas of Burlington and Oakville. The UltraFibre 1Gig Unlimited package delivers up to 1 Gbps download speed to the home (broadband). Customers will obtain up to 1 Gbps of total download speed through the combination of multiple devices including at least one wired connection (Ethernet) combined with one or multiple wireless connection to Cogeco's 1 Gig modem. Up to 940 Mbps download speed can be achieved when connecting to one personal Internet device with one wired connection (Ethernet).
