Last revision: April 13, 2020

Use of HSI Services. High Speed Business Internet (“HSI”) Services should only be used from Customer’s business service address and other addresses, as long use is related to Customer’s business. Customer is prohibited from reselling or transferring HSI Service to any other person, for any purpose, or from charging any fees for the use of this HSI Service, without prior written permission from Cogeco. Upon discovering that use of this HSI Service or any functionality related thereto by Customer infringes the terms hereof or exceeds reasonable usage limits as determined by Cogeco, at its sole discretion, that Customer engages in illegal or deceptive trade practices or any other behaviour prohibited by applicable terms of use for the HSI Services, Cogeco may, at any time and without prior notice, limit or suspend access by Customer to HSI Service. In such cases, Customer must contact Cogeco’s customer service which may require payment of fees or charges in order to restore Customer access to this Service.
