1. **Outlet Equipment Connection.** Only one television set, FM receiver or cable modem may be connected to any outlet. In the event that Customer fails to comply with this section, Cogeco may, in addition to any other rights or recourses, recover from Customer any and all charges that may be incurred in order to render Customer's use of Services authorized and lawful.
2. **Background Music License.** Starting July 1, 2015, for Customers in Québec and Ontario, Cogeco obtained licences from Socan and Re:Sound for: (i) public performances; and (ii) communicating with the public by telecommunications regarding the background music that may be included in the pay audio services that Cogeco supplies to Customers. This representation does not extend to background music that Customers may use or obtain otherwise, such as, without limitation, the use of other sources of recorded music or live entertainment.
